CCM in Morristown/ Schuyler Place

County College of Morris in Morristown has as its mission to provide quality lifelong learning opportunities for youth, adults, seniors, businesses, civic and community organizations seeking personal, occupational and professional development.

We strive to meet the needs of those seeking learning opportunities by assessing, designing and delivering courses and programs contributing to personal, professional and occupational development. We are committed to taking a leading role in improving access to learning and in forming partnerships to support economic and community development.

Specific Programs include:

**Credit:**

A program of credit courses, with an emphasis on business and general education classes, for traditional and adult learners, which lead to a CCM degree or are transferable to a four-year school.
