

Campus Life

The mission of the Office of Campus Life is to enrich the academic programs of study at County College of Morris (CCM) and to enhance the overall educational experience of students through exposure to and participation in cultural, social, recreational, intellectual and governance programs and activities. The department also serves as a resource and information center not only for the student organizations it oversees but also for the overall campus community. It supports many extracurricular and co-curricular needs of the college, providing services, programs, events, trips, activities and publications that enhance the college experience.

Services

Campus Life services include issuing student identification cards and selling tickets for on-campus and off-campus events. Visit the [Campus Life website \(https://www.ccm.edu/student-support-services/campus-life/virtual-student-community-center/\)](https://www.ccm.edu/student-support-services/campus-life/virtual-student-community-center/) to take advantage of these services.

New Student Orientation

The college provides an orientation program for new students before the beginning of each semester. Students will explore the campus, learn about various college services, meet with their academic deans and get information on extracurricular and co-curricular activities and programs.

Student Community Center

The Student Community Center is the facility on campus that serves as the center of campus life. In addition to housing most departments involved in the enrollment process (Admissions, Financial Aid, Records and Registration and Bursar), the Student Community Center (SCC) includes a lounge with modest performance space and a central fireplace, a large-screen TV, a game room, student organization offices, a TV lounge, several multipurpose rooms, the Campus Store, SCC Cafe and Vending Area. Additionally, the Office of Campus Life, the Center for Student Well-Being, the Office of Career Services, the Office of Transfer Services, The ReLaunch Center, the Dean of Students Office, the Center for Workforce Development, the Hospitality Program and the Dragonetti Auditorium are located in this building.
