Study Abroad Program

To provide its students with access to a global education, County College of Morris offers study abroad opportunities through its membership to the College Consortium for International Studies (CCIS). The consortium has programs in 25 countries with courses in a variety of major areas.

Most programs require at least 15 credits of completed course work and a minimum grade point average of 2.5 to apply. Study abroad participants are subject to additional fees and tuition, but financial aid may be available to qualified students.

For details on how to study abroad, students should visit CCM’s study abroad webpage (http://www.ccm.edu/studyabroad) well in advance of the planned semester abroad. In addition, students may stop by the Languages and ESL Department in Emeriti Hall, Room EH120, or call 973-328-5420.
