

CPR/Basic Life Support

Healthcare Professional Basic Life Support

This five-hour curriculum reflects the current **American Heart Association** guidelines for healthcare providers. The course includes adult one-rescuer CPR, adult two-rescuer CPR, adult foreign body airway obstruction (FBAO), pediatric CPR, pediatric FBAO, the use of bag mask ventilation devices for all victims and automated external defibrillators (AED).

This course is appropriate for nurses, paramedics, EMTs, police, fire personnel, lifeguards, and other first responders.

CCM students:

This certification is required for all CCM Allied Health, Nursing, and Clinical Healthcare Professional students. Students may complete this course through CCM or at other AHA approved providers. This course can be used to fulfill one credit of the requirements for Health and Wellness electives as well. To obtain this credit, please contact your department **BEFORE** registering for the class.
