

# Internships and Experiential Learning

---

**Internship and Experiential Learning** placements offer students opportunities to apply theories and skills learned in the classroom to real world situations. Why should you participate?

- To identify and explore career options
- To acquire industry knowledge
- To build confidence
- To enhance your communication/collaboration skills
- To strengthen your resume
- To develop a professional network

Internships are available for credit-seeking and non-credit seeking students.
